

fifty bucks for fifty years!

DDS is celebrating 50 years of service! Thousands of individuals and families have been greatly impacted by DDS programs and services. Through the 50-4-50 Campaign we're hoping to raise \$50,000. These funds will enable us to continue our mission to provide early intervention services to children from birth to age five living in Lebanon County. 50 years ago, DDS was founded expressly to serve this underserved population in Lebanon County by establishing a developmental classroom for children with special needs.

Please support the 50-4-50 Campaign by making a donation of:

- \$ 1 / year (\$50)
- \$ 2 / year (\$100)
- \$ 5 / year (\$250)
- \$10 / year (\$500)
- \$20 / year (\$1,000).

Any and all gifts are greatly appreciated!

Champions for Life:

Who do you think of when you think of a champion?

Do the names Drew, Kiersten, Joanna, Dillan, Robert or Karen come to mind? How about any of the hundreds of individuals who receive services from Developmental & Disability Services of Lebanon Valley? A champion is one who perseveres every day through vigorous training, overcoming feats of strength and never losing sight of the goal. Some goals are simple; others take months, years or a lifetime to achieve. So, what does DDS do? DDS helps individuals become champions for life. For 50 years, DDS has enabled hundreds of individuals to live as independently as possible. Our therapists help infants learn to sit, crawl and talk. DDS teachers prepare children with special needs for school and for life, while our job coaches work side-by-side with individuals and train them to be gainfully employed in the community. Many of these champions, DDS has had the privilege to guide throughout their lives.

Meet Robert

Robert is a graduate of the DDS Early Intervention Program and Preschool. Now at age 38, he is gainfully employed and living independently. The DDS-Job Coaching Program helped Robert find his current job and provides follow along services to support him as needed. Robert is an active member of the community, participating in his church, volunteering at DDS and is an established artist of the Brave Art Studio.

Brave Art Studio

An initiative of DDS, administered by community volunteers and artists, the Studio is a place where artists of all abilities come together to work on collaborative art.
