Feel good about giving.

ACES, is a social group specifically designed for individuals ages 5 through 12 with Asperger's Syndrome and high-functioning autism and has been designed by a certified recreational therapist. This program provides opportunities to enhance socialization and build friendships. Call Matt Ernst at 717-741-3891 or DDS at 274-3493 for details! There is limited space available, so please be sure to register early. Parents are required to drop their children off and pick up as requested (Parents are asked to leave for the evening, as we are working towards socialization and independence for the children!)
